Verzasca Valley

Hiking among nature and history

Itinerary:

Monte Verita – Ganne – Coroppo – Losone – Monte Verita

Description:

Verzasca Valley is a long narrow valley, which offers a wild and fascinating landscape (river with turquoise water). Sonogno is a touristic destination, with a museum, restaurants and souvenir shops. This is an ideal trip for hikers (3 hours). It is particularly interesting from the cultural and ethnographic point of view and for its fascinating scenery in the wood along the river. Good walking shoes are recommended.
